1. SCOPE OF RESPONSIBILITY

The Accounts and Audit Regulations 2003 states that a Council shall be responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control which facilitates the effective exercise of the Council's functions, and which includes arrangements for the management of risk

Darenth Parish Council (*the Council*) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

Internal control is designed to reduce financial risk to the Council

The system of internal control is designed to ensure that the council's activities are conducted properly and as intended. Internal controls are set up by the Responsible Finance Officer (*the RFO*) but it falls on the Council Members to ensure that they have a degree of control and understanding of those controls. Controls will include the checking of routine financial procedures; the examination of financial comparisons; the recording of assets and liabilities; the identification of risk and to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.
